

POLICY STATEMENT AND REGULATIONS

Number: 400.11

PROTECTION OF WORKS AND SERVICES CROSSING PRIVATE PROPERTY

1. Where works and services are crossing private property to service lands beyond, the works and services will be protected by statutory rights of way registered in favour of the District or other agency having jurisdiction.
2. This policy will not apply to an independent sewer or water service that only provides service to one parcel.

Adopted: October 9, 2007
