Public Open House

Prairie Valley Road and Victoria Road Intersection Upgrade

The District of Summerland is looking for feedback from residents regarding proposed upgrades to Prairie Valley Road from Brown Street to Cartwright Avenue. Residents are invited to attend an Open House where representatives of the District of Summerland and Focus Corporation will give a presentation on the conceptual design of the project. A question and answer session will follow the presentation and a survey will be available for those wishing to submit additional comments or concerns regarding the details of this project.

Date: **Thursday, February 23, 2012**
Location: **Summerland Arena Banquet Room, 8820 Jubilee Road East**
Time: **Doors open at 5:30 p.m.; Presentation at 6:30 p.m.**

If you have questions about the Prairie Valley Road and Victoria Road Intersection Upgrade please call the Engineering and Public Works Department at 250-494-0431 or email us at engineering@summerland.ca.
